- 1** Father, oh please don't let me be
Focused alone on things I see;
Amidst a thousand thoughts I spin,
Forgetting my true love again.
- C** Chorus:
So call me away, call me away from all my cares,
One sovereign word, one sovereign word will draw me
there,
Call me away, call me away to Yourself.
- 2** Why should my passions mix with earth,
And thus debase my heavenly birth?
Why should I cleave to things below,
And let my God, my Savior go?
- 3** Let earth with all her noise depart
And drive these worries from my heart.
In secret silence of the mind
True peace and boundless joy I'll find.
