1 Verse 1:
When the waves of trouble swell
And my heart is overwhelmed, I hear Him.
When the sun begins to fade
And storms my path invade, I hear Him.

P Pre-Chorus:
A voice begins to rise,
It thunders through my cries
And takes me.

C Chorus:
"Take heart, my troubled child, for I am near;
Remember who I am and do not fear."

2 Verse 2:
When my path is dark and wide,
And I can't see the other side, I hear Him.
When the grave begins to call
And I feel my body fall, I hear Him.

B Bridge:
"Though all you see is calamity
You need not fear for my voice you hear.
So calm your heart and let dread depart,
Come rest your soul and give me control;
I love you still, I love you still,
So come, be still, in Me."
