**1**

## **Verse 1:**

**The light of the world has cast its brilliant rays,  
Expelling the darkness inside.  
Why cover it up with vain and selfish ways?  
Come cast all your secrets aside.**

**2**

## **Verse 2:**

**By faith we have seen the face of Jesus Christ,  
The bright-shining ancient of days;  
So why wear a mask of deception and pride?  
Come live in the light of His grace.**

**C**

## **Chorus:**

**Let us shine, let us shine, let us shine like the sun,  
Lifted high like a lamp on a stand;  
For the glory that shone in our hearts has just begun-  
Leave the darkness behind, let us shine.**

**3**

## **Verse 3:**

**The hope of the world- the light that we possess-  
Will shine in the darkest of nights;  
The beacon of grace is His own righteousness,  
So gleam with the merits of Christ.**

**4**

## **Verse 4:**

**And soon we shall see a new and glorious morn  
When Jesus descends from the skies;  
The curse shall dissolve and all will be reborn  
By the light of the glory of Christ.**
