1 Verse 1:
Father,
You dwell in heaven
All in your presence
Is pure and holy.
Father,
Who can approach You
Unless he goes through
The King of Glory?

C Chorus:
We stand and worship
Not by our feeble merit
Our flesh could never bear
The weight of glory
We stand and worship
Only because weâ€™re hiding
Inside the righteous life of Christ our King

2 Verse 2:
Jesus,
Condemned and risen,
In you we have been
Completely pardoned.
Jesus,
You represent us
Now in the presence
Of your Father.

3 Verse 3:
Spirit,

**You dwell within us;
Speak and convince us
Of what Christ has done.
Spirit,
Give us the faith to
Draw near to him who
Calls us his daughters and sons.**
