1 **The Lord is One, the only Godâ€”the Father, Son, and Spirit;**
Each one unique, yet fully God, astounding all who hear it.
From all eternity
He has been One in Three,
Each filling His own role
Yet still divinely whole.
I must respond with wonder.

2 **The Lord has now revealed Himselfâ€”the fullness of His glory**
Through the Incarnate Word, His Son, found in the gospel story:
The Father did ordain
The Son to bear my blame,
The Spirit did impart
New life into my heart
That I might know and love Him.

3 **The Lord will, through the Spirit, dwell eternally within me**
That I might, heart and mind and strength, give God all praise and glory.
From every tribe on earth,
Those given second birth
Are gathered into one,
Confessing Christ the Son
Unto the Father's glory.
