1

The Lord is not in need of man, for He is self-sufficient;
Within the Godhead, Three in One, He finds complete contentment.
He does not need to ask
For help in any task;
He owns what He has made
And has no debt to pay.
To Him belongs all glory.

2

The Lord has met our ev'ry need through His own strength abundant
By sending Christ in poverty to die a humble servant;
What should have been our loss
He bore upon the cross,
And rising from the grave
Revealed His pow'r to save
That we might know His fullness.

3

The Lord will be my constant help in ev'ry situation;
He will supply my ev'ry need in peace or tribulation.
In weakness I will see
God's grace abundantly;
A servant I will be
Through Christ who strengthens me.
The Lord is all-sufficient.
