CCLI Song # 7125431

1 **The Lord is jealous to uphold His excellence and glory**
For unto Him all praise is due, since He alone is worthy.
He will uphold His fame,
For Jealous is His name;
The idol worshiper
His violent wrath will stirâ€”
He will defend His honor.

2 **The Lord has purified a bride to be His faithful lover,**
Though she had once profaned His name and glorified another.
The Father's jealous wrath
Christ bore on our behalfâ€”
His blood for sin atoned
That we might be brought home
To show His fame forever.

3 **The Lord will not forsake His bride who bears His name and splendor;**
Against His church no foe can standâ€”He rises to defend her.
His zealous people go
To herald and to show
The glory of His grace
To ev'ry tribe and race,
That all might love and praise Him.
