1 **The fountain of Christ, please help us to sing,**
The blood of our Priest, our crucified King:
Which perfectly cleanses from guilt and from sin
And richly dispenses salvation within.

C **Chorus:**
So come to the fountain of grace
Where guilt is uprooted and joy now abides in its place;
Where mercy and righteousness, gladness and peace
Pour out so richly - yet never to cease!
This is the fountain of grace.

2 **This fountain, from guilt, not only makes pure**
And gives, soon as felt, infallible cure:
But if guilt returns and it tries to remain,
Its pow'r will remove it without any stain.

3 **This fountain, though rich, from cost is quite free,**
The poorer the wretch will more welcome be.
Come needy, and guilty, with sin's ugly scar;
You can't come too filthy - come just as you are.
