1 **O happy saints, who dwell in light,**
And walk with Jesus, clothed in white,
Safe landed on that peaceful shore,
Where pilgrims meet to part no more.

C **Chorus:**
Lord, with tardy steps I creep â€“
Sometimes sing, and sometimes weep;
Yet strip me of this house of clay
And I will sing as loud as they.

2 **Released from sin, and toil and strife,**
Death was their gate to endless life;
Freed from this world so they could fly
To their eternal home on high.

3 **And now they dwell before the throne**
And sing their praise to Him alone.
And now they prove in life above
The heights and depths of Jesus' love.

4 **He cheers them with eternal smile,**
They sing hosannas all the while;
Or, overwhelmed with rapture sweet
Sink down, adoring at His feet.
