1 Verse 1:

(Whoah, whoah.)

**I was speeding down the road to my demise
When the Lord, He came and opened up my eyes.
He revealed that I had crucified His Son
But His work in me had only just begun.
Oh, He came in love and He came for me,
He forgave my ev'ry sin,
Then He conquered death for eternity
And reclaimed my life in Him.**

2 Verse 2:

(Whoah, whoah.)

**Though He came for me to glory He returned-
To the place that since He bought me I have yearned;
Though I cannot see Him or my future home
Through the Spirit I will never be alone.
By Your Spirit, come, and awaken me
To my final destiny;
Come and shape my life for the world to see,
Ready for eternity.**

C Chorus:

**He is coming back for me
In His pow'r and majesty;
He will claim His own
And will lead me home,
He is coming back for me.**

(Whoah, whoah.)

Verse 3:

**While I wait for Him I struggle ev'ry day
So I will read His word to hear what He will say.
"In this world you will face trouble and distress,
Lift your head, I am the Lord, your righteousness."
And when foes of grace pain and insult bring
I will wait for His return;
He will come as judge, He will come as king,
And His wrath for sin will burn.**
