Verse 1:

**When dearest ones my love betray
And darkness overwhelms,
When flesh is fading fast away,
And gone are life-long dreams
The Man of Sorrows shall draw near,
The One who knows my grief,
And with a sympathetic tear
Will run to my relief.**

C

Chorus:

**O Man of Sorrows, come to me,
Your tender care reveal;
Through bitter tears I still believe
This heartbreak can be healed.**

Verse 2:

**The Spirit whispers to my soul
That I am safe and loved,
His promise shall my life uphold-
His grace will be enough.
Betrayed and yet betrayer too,
This pain I cast on Him,
And though my sin He always knew
His love will never dim.**
