1 **Verse 1:**
I was a captive but you bought me,
I was an outcast but you sought me out,
I was a rebel but you broke me,
I was a dead man but you've spoken life
And opened up the grave.

C **Chorus:**
Who I was and what I've done
Are not who I am;
Old is gone, new has come
And I'm a new man!
I have died with Christ,
I've been raised to life--
This is who I am.

2 **Verse 2:**
I am a saint but I'm still growing,
I am a pilgrim but I'm going home,
I am a ways from who I will be
But holiness and love are filling me
Until I am complete.

B **Bridge:**
Death cannot sting me
For I'll be singing
My way to Jesus' side;
Ten thousand praises
For endless ages
Unto the Lamb who died!
